

## 2019 MOCK INVITATIONAL

Saturday, August 17

Kennebunk, ME

Come join the New England Seacoast Chapter of NAVHDA for our 2019 Mock Invitational Clinic. The Mock will be a great opportunity for handlers, as well as a chance to evaluate where they are in preparing for the Invitational Test.

The Mock Invitational will cover the following:

### Field Work

Dogs will be run in braces for 45-60 minutes. The field will be planted with 8 - 12 Chukar. Each dog will be given opportunity to find and handle birds properly, along with backing. Additional birds will be provided for "stop to flush" as requested.

### Water Work

Double Mark will be conducted with fresh ducks for each dog. There will be a 6 - 10 decoy spread located adjacent to the water entry line.

Blind Retrieve will be conducted across approximately 100 yards of open water. A fresh duck will be dragged a short distance on the opposite bank.

Honoring will be conducted immediately following the Blind Retrieve.

The clinic will start at 8am and run until all handlers and dogs have had an opportunity to complete.

Lunch will be provided by the chapter.

Fee: \$175.00 (non-refundable)

Registration will be limited to the first 20 handlers. Registration and Payment is required no later than June 30th.
